

**Coast Radio KCST / KCFM
2014 – 2015 EEO / Broad Outreach Report**

Coast Broadcasting Company, Radio Stations KCST / KCFM serves the Florence, Oregon community and provides equal employment opportunities to all job applicants. The stations operate as a unit to ensure that maximum available community resources are utilized to generate qualified job applicants from all segments of our community.

Coast Broadcasting Company has not made a full time hire within the past six years and has only recently made our first part-time hire in six years. Coast Broadcasting Company accepts resumes and applications from the best and brightest people to fill our open positions. KCST / KCFM is also interested in a variety of educational internships for high school and college students.

Coast Broadcasting Company encourages minorities and women to submit applications for employment to KCST / KCFM. Applications are held for a minimum three months after submission to be considered for employment positions that open with Coast Broadcasting Company

Had Coast Broadcasting Company conducted a hiring program to fill a vacancy with in the last year we would have posted the position and open resume process with the following agencies.

On the first and fifteenth of each month Coast Radio Broadcasting KCST-FM / KCFM-AM airs announcements noting that we accept applications without bias against race / gender / or religious or political consideration. Coast Radio Broadcasting also posts a notice that “Coast Broadcasting Company is an Equal Employment Opportunity” on both our website at http://www.kcfmradio.com/?page_id=12695 and all job notification listings.

**Coast Broadcasting Company KCST-FM / KCFM-AM
Equal Opportunity Employment Program**

In continued outreach efforts to include those interested in broadcasting career from Western Lane County and beyond, Coast Broadcasting Company:

- 1) Participates in “Career Day” activities at Siuslaw High and Middle Schools. Offering students contemplating a career in broadcasting a glimpse into digital editing, reporting, On-air Announcing, Advertising Sales, Traffic Management, News production, and programming.
- 2) Coast Broadcasting offers a weekly hour program to students of Siuslaw High School that gives the students themselves the format to write and produce an hour long student drive radio program. Viking Hour broadcast on Monday evenings from 7:05 to 8pm, September through May each school year. (Viking Hour entered its 25th season September 8th of this year).

Members of the Viking Hour have become members of the KCST-FM staff, others have Continued to pursue future broadcasting and journalism education.

- 3) Coast Radio KCST / KCFM offers an internship program for Siuslaw High School / Mapleton High School students, as well as, youth inmates of the Camp Florence / Oregon Youth Corrections Facility who are interest in exploring a career in radio broadcasting and journalism. Interns learn broadcasting technique, production, digital editing, programming, and reporting. High School Internships run the span of the school year, September through mid June, or the length of Camp Florence interment. This program has also been utilized by community members interested in broadcasting.

Several interns have been hired by Coast Broadcasting Company as board operators in part-time positions.

- 4) Coast Broadcasting Company offers mentoring to our staff members. From continual digital production and editing to on-air mentoring in an effort to develop our staff to their fullest extent.
- 5) A list of recruitment sources is utilized to generate applicants for every full-time job opportunity, this list is maintained and revised regularly to keep it current.
- 6) All full-time staff are notified of any new openings. All staff are encouraged to refer anyone interested in and feel they are qualified for a job position.
